When speaking of the Trinity, the nature of mystery always surfaces. The meaning and significance of mystery can puzzle us. If we cannot understand or appreciate it, what difference does it make for our faith lives? Thus we attempt to articulate meaning while acknowledging our limited capacity to do so. Thoughts and language seem so limited when attempting to explain the Trinity.

Jesus provides the best avenue to Trinitarian understanding. As God incarnate, Jesus manifests to us the fullness of God, while being fully one of us. Jesus, who knows our daily human struggles, models for us how to live full human lives in conformity with God's desires and intentions. Love of others without restrictions or stipulations always guided Jesus' words and deeds, which communicate the very essence of God's being. Love of others is at the heart of our love for God and God's love for us. Jesus' Spirit supports, guides, and strengthens us to try again when we fall to love one another.

What is the Trinity? It is God who creates, loves and sustains us with unending love for all time. God, in the person of Jesus and through the Spirit's power, invites us to respond in love while reaching out to others.

Remember that membership with your parish is a requirement if you wish to be a godparent or a sponsor for Confirmation.
