Each of us has a call from God. He implants that element in all His human creatures. He loves us as unique products of His holy imagination. He knows that we will only be truly happy if we fulfill our destiny. His call matches our minds and is in sync with our souls. Its nature is particular to us. It may involve a call to love a certain person for life, for better or for worse until death do you part. It could be a demand for your patience or your service or any number of other realities, but always linked with a call for your love.

Jesus responded fully, better than any of us. As difficult as answering that was call for Him, by His sharing our weak human nature He did it out of love for us. Hopefully we will be eager to listen and then answer when we learn we are being called for a mission of some kind.
