We celebrate the feast of St. Francis of Assisi on the anniversary of his death, which occurred on October 4, 1226. Perhaps the most beloved of all saints, Francis is quoted as saying, "Preach the gospel at all times. When necessary, use words". Signs of faith were evident throughout his life. Faith empowered him to give away his possessions, to embrace lepers, and to endure deep suffering. Faith gave him a joyful spirit and a love for all creation.

You may never be canonized. However, people should be able to look at your life and discover signs of faith. Do they see you reaching out to those in need, working for justice, caring for family, engaging in prayer, seeking reconciliation, growing spiritually? If so, they see a just one who, through the gift of faith, shall live.
